# **HARD HAT PHOTOGRAPHY LTD**

AERIAL, CONSTRUCTION & INDUSTRIAL PHOTOGRAPHY

**Throughout Ireland & UK**

***One Number! One Contact! One Account!***

Hard Hat Photography Ltd was founded in 1994 and has since gone on to be a leader in the fields of civil engineering and aerial photography. The Company has photographers it can call on throughout the UK & Ireland, all experienced in on site work and conditions. Through working in all conditions of light and weather we have developed special techniques, especially when working in low light situations such as tunnels and night lifts.

**Don't waste time searching databases for different area's,  
just contact Hard Hat Photography and we can cover it wherever it is!**
